

Unit 5 Progress Report and Unit 6 Goal Setting in Physics

To help you assess your performance over the past unit, please fill your scores into the 4th column of this table, and complete Column 5.

Practice Name	Target Levels for Unit 5	Assessment evaluated	What you Earned	<u>Below, Meet, or Exceed</u> Target Levels	Target Levels for Unit 6	Whole Class Goal	My Personal Need-to-Improve (based on Unit 5 "Below's")
Experimental Design	Proficient	Lab 5D			Proficient		
Data Analysis	Proficient	Lab 5D			Proficient		
Arguing a Scientific Claim	Proficient	Lab 5D			Advanced	✓	
Using Feedback	Proficient	Lab 5D			Proficient		
Creating a Scientific Explanation	Proficient	Unit 5 Test			Advanced	✓	
Problem Solving	Proficient	Unit 5 Test			Advanced	✓	
Graphical Interpretation	Proficient	Unit 5 Test			Proficient		
Graph Creation	Proficient	Unit 5 Test			Proficient		
Engaging with Content	Proficient	Unit 5 Project			Proficient		
Engineering Design Cycle	Proficient	Unit 5 Project			Proficient		

Your score summary:

- # of practices at the Target Level: _____
- # of practices 1 below the Target Level: _____
(ex: Target Level was Proficient and you earned Developing.)
- # of practices 2 below the Target Level: _____
(ex: Target Level was Proficient and you earned Beginning.)
- # of practices at "Not Enough Evidence": _____

Use the graphic to the right to translate your current achievement levels into a traditional grade: _____; What is your end-of-year goal? _____

Are you on track to achieve your goal? Yes or No.

Do you need any help from me? Yes or No.

As always, I am available for help if you are struggling with any particular skills. Please make an appointment to work one-on-one with me!
